

Knebworth Primary School Newsletter

Tuesday 21st December 2021

Message from the Senior Leadership Team

Dear Parents and Carers,

A shorter week this week but still jam packed with lots of Christmas fun!

On Monday some of our Year 6 children paid a visit to our local residents to perform some Doorstep Carols at Knebworth Care Home. The residents were really entertained with a variety of different Christmas tunes and it was lovely to see the joy that they brought to so many. A BIG thank you to Mr Williams and Miss Bains for organising this lovely community project. The Care Home also gifted the school with a beautiful Christmas bauble which has had pride of place on the school Christmas tree!

This year, Blake in Galileo Class decided that instead of writing Christmas cards, he wanted to donate some money to two special charities that are close to his family's heart: Smile Train and CLAPA who support people born with a cleft and their families. Well done Blake – this is such a kind and generous gesture which will make such a difference to other children's lives.

The end of term is always a time of reflection, celebration and sometimes goodbyes. This term is no different. We have all reflected on yet another long and challenging term for many however what has been remarkable is the continued enthusiasm and resilience our children have showed despite adversity. They are quite simply an exceptional group of children who are a credit to each and every one of you. This morning we said goodbye to a very special teacher, Mrs Parry, who has decided that it is her time to leave us and go seek new adventures. Mrs Parry has been at Knebworth School for over 20 years and has been a committed, caring teacher with an unwavering devotion to the children in her care. She will be very deeply missed. We want to say a big thank you to her for her many years of service and the positive impact that she has had on many children's lives.

Lastly, a thank you to you all for your continued support. We have such a wonderful school and we know that this is because of the strong partnership we have with all our families. Have a lovely, restful Christmas and New Year break everyone. We look forward to seeing the children back in school on Thursday 6th January 2022.

Kind Regards,
Natasha Laskey, Sim Bains & Grace Maynard

Wellbeing Quote

"The moon reminds us that we are still whole, no matter what phase we are in"
